The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. The conference report on the concurrent resolution for fiscal year 2004 (H. Con. Res. 95) was agreed to by the Congress on April 11, 2003.

These were subsequently modified pursuant to section 421 of the concurrent resolution, and printed in the Congressional Record on May 7, 2003 (pages S5843-5847).
